

DIRECTIONS TO GROBBENDONK CAMP SITE

Take the E313, direction Herentals West (from Liege or Antwerp)

Get off at exit # 20; at the T-junction turn left, direction Grobbendonk.

At the traffic lights turn right, the road goes across the motorway and a canal.

Take the 2nd right: Koolaerdestraat.

At the 'end' of the road are some large double gates – the entrance to the Grobbendonk military camp. There is a padlock on the gates, (code to be confirmed).

The correct address (for GPS) is:

Koolaerdestraat
2280 Grobbendonk.

The return journey is as above but in reverse order. Please note that for direction Antwerp you have to turn to the left to get on the slip road, do not cross the motorway (confusing!!!)
