

Telstar International Scout Group

Telstar Scout Group aims to provide an exciting programme of activities for young people from 6-18 years of age, designed to promote their development in achieving full physical, intellectual, social and spiritual potentials as individuals, as responsible citizens and as members of their local, national and international communities. We offer an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult Leadership.

So, what do we actually do? Anything and everything! Activities are tailored to the respective age groups and include rock climbing, handicrafts, pioneering, hiking, safety training, environmental awareness, etc., etc. and, of course, camping.

We encourage our young members to work together in teams, to take responsibility for themselves and others and to care for and respect the environment.

Our working language is English, though we welcome children of all nationalities – we currently have children from 18 countries.

Sections:

Beaver Scouts	6-8 years	Oak Colony - Tuesday 16.00-17.15 at St George's School Sycamore Colony - Thursday 16.00-17.15 at St George's School
Cub Scouts	8-10 ½ years	Tuesday 18.00-19.30 at St George's School
Scouts	10 ½ -14 years	Alternate Saturdays 14.00-17.00 at St George's School
Explorers	14 –18 years	Alternate Saturdays 14.00-17.00 at the FNEL HQ in Hollerich

Telstar has a Scout Active Support (SAS) unit for those who wish to support Scouting in a practical way, helping with equipment, transport, cooking etc but who do not want a regular role.

Interested in helping out?

Telstar Scouting is in high demand and due to a lack of volunteer leaders; we have had to institute waiting lists for Beavers, Cubs and Scouts. Children of parents offering regular help will bypass the waiting list.

Being a Scout Leader is an extremely rewarding role and is also a lot of fun. Training, uniform and out-of-pocket expenses are provided.

If you can help or possibly know someone else who might be interested, please give us a call.
