

Core Badge order form for Telstar members

As of October 2023, Telstar Scouts are using uniform shirts/jumpers from the FNEL shop in Luxembourg for newly purchased uniforms.

When you purchase a new uniform from the FNEL shop, depending on the size, the uniform will come with some of the core badges already on the uniform. Beaver jumpers will also come with some of the core badges, included in the jumper price, for you to sew onto the jumper. In any case, you do not need to buy any core badges separately from the shop - We as Telstar Scouts will complete the set of core badges for you free of charge.

In order to facilitate this process, Please check your purchased uniform and carefully compare it to the badge flyer ("Core badges for all Telstar members" and core badges for the corresponding section) to check which core badges you are missing. Please complete the core badge order list and return it by email to the badge manager:
florence_folmer@yahoo.com

Please refer to the badge flyer to check where each badge belongs.

Explorers Core Badges

The Explorers shirt may or may not come with - please tick off if NOT:

- World Scout Movement membership badge
- FNEL stripe
- FNEL badge

The necker, the Telstar group badge for the necker, and the leather woggle have/will be issued at the investiture ceremony.

You probably still need:

- BSO Northern Europe District badge
- TELSTAR group stripe
- FNEL Explorers section badge
